Jiu), Germany, Turkey, England, Thailand **Bangkok IPITEX 5-9.01.2026**, the Republic of Moldova, Taiwan, Singapore, Saudi Arabia, India, DUBAI, HONG KONG ETC);

2025, Excellence Diplomas and Gold, Silver and Bronze Medals, Special Awards at International Invention Exhibitions, obtained following international competitions (Canada *Toronto*, Poland, Croatia, Hungary, **Romania** (Suceava, Iași, Galați, Sibiu, Deva, Timișoara, Cluj, București), Turkey, England, Thailand Bangkok, the Republic of Moldova, Taiwan, Singapore, Saudi Arabia, India, DUBAI, HONG KONG ETC);

2024, Excellence Diplomas and Gold, Silver and Bronze Medals, Special Awards at International Invention Exhibitions, obtained following international competitions (**Switzerland Geneva**, Canada *Toronto*, Poland, Croatia, Hungary, **Romania** (Suceava, Iași, Galați, Sibiu, Deva, Timișoara, Cluj, București), Turkey, England, Thailand Bangkok, the Republic of Moldova, Taiwan, Singapore, Saudi Arabia, India, DUBAI ETC);
2024, The Grand Prize of the Exhibition International of Inventions „EUROINVENT" 2024 awarded by the International Jury, 6-8 June 2024, Iași, Romania;
2023, The Grand Prize of the Exhibition International of Inventions PRO INVENT 2023 awarded by the International Jury, 25-27 October 2023, Cluj Napoca, Romania;
2023, Excellence Diplomas and Gold, Silver and Bronze Medals, Special Awards at International Invention Exhibitions, obtained following international competitions (Canada, Switzerland, Poland, Croatia, Hungary, Romania, Turkey, England, Thailand, the Republic of Moldova, Taiwan, DUBAI, ETC);
2022, The Grand Prize of the Exhibition International of Inventions „INVENTICA" 2022 awarded by the International Jury, 22-24 June 2022, Iași, Romania;
2022, Excellence Diplomas and Gold, Silver and Bronze Medals, Special Awards at International Invention Exhibitions, obtained following international competitions (Canada, Switzerland, Poland, Croatia, Hungary, Romania, Turkey, England, Thailand, the Republic of Moldova, Germany ETC);
2021, Excellence Diplomas and Gold, Silver and Bronze Medals, Special Awards at International Invention Exhibitions, obtained following international competitions (Canada, Switzerland, Poland, Croatia, Hungary, Romania, Turkey, England, Thailand, the Republic of Moldova, Germany ETC);
2021, Diploma of excellence si medal of aur awarded by the International Jury at the International Exhibition of Inventions ISIF 2021 at Istanbul, Turkey for the invention „Car electric personal individual", 21-26 September 2021, Istanbul, Turkey;
2021, Diploma of excellence for the contribution remarkable as membru al juriului international at ASIE 2021, 22-24 October 2021, Virginia, Statele Unite;
2021, Special Award „CONTRIBUTION TO INNOVATION & DEDICATION TO STEM ACKNOLOGMENTS 2020" si Special Award „Visionary 2020" awarded by INVENTARIUM-SCIENCE, EAS-EUROPEAN ACADEMY OF SCIENCE, 29 October 2021, Lisabona, Portugalia;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions PROINVENT 2020 for the invention „Reactor for decontamination of aflatoxin M from milk", 18-20 November 2020, Cluj-Napoca, Romania;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions PROINVENT 2020 for the invention „Individual Personal Electric Car", 18-20 November 2020, Cluj-Napoca, Romania;
2020, Special Award „Special Award Presented by Toronto International Society of Innovation & Advanced Skills (TISIAS)" awarded by Jury International at Exhibition of Inventions International „iCAN" 2020 for the invention „Portable hydro-electrical turbine with deformable paddles", 29 August 2020, Toronto, Canada;
2020, Special Award and Excellence Diploma awarded to the Romanian Association for Alternative Technologies Sibiu by the Technical University of Cluj-Napoca at the International Exhibition of Inventions „INVENTICA" 2020, 29-31 July 2020, Iași, Romania;

2020, Special Award and Excellence Diploma awarded by the Polytechnic University of Timișoara at the International Exhibition of Inventions „INVENTICA" 2020 for the invention „Individual Personal Electric Car", 29-31 July 2020, Iași, Romania;
2020, Gold Medal and Excellence Diploma awarded by the State University of Medicine and Pharmacy „Nicolae Testemițanu" from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2020 for the invention „Reactor for decontamination of aflatoxin M from milk", 29-31 July 2020, Iași, Romania;
2020, Special Award and Excellence Diploma awarded by the State University of Medicine and Pharmacy „Nicolae Testemițanu" from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2020 for the invention „Individual Personal Electric Car", 29-31 July 2020, Iași, Romania;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2020 for the invention „Reactor for decontamination of aflatoxin M from milk", 29-31 July 2020, Iași, Romania;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2020 for the invention „Individual Personal Electric Car", 29-31 July 2020, Iași, Romania;
2020, Excellence Diploma with Special Honourable Mention awarded by the International Jury at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 20'" for the outstanding contribution made in calitate of Member of the International Jury, Member of the Scientific Committee of Recenzare and Member of the Editorial Board, at organizarea of the International Exhibition of Student Innovation and Scientific Research „Cadet INOVA 20'", 11-13 April 2020, Sibiu, Romania;
2020, Special Award and Excellence Diploma awarded by the National Institute for Research and Development in Construction, Urban Planning and Sustainable Territorial Development URBAN-INCERC at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Individual Personal Electric Car", 23 May 2020, Iași, Romania;
2020, Special Award and Excellence Diploma awarded by the Polytechnic University of Timișoara at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Individual Personal Electric Car", 23 May 2020, Iași, Romania;
2020, Excellence Diploma awarded for the contribution made to the EUROINVENT 2020 International Exhibition as a member of the International Jury, 23 May 2020, Iași, Romania;
2020, Excellence Diploma awarded for involvement in the ICIR-EUROINVENT 2020 Conference as a member of the Scientific Advisory Board, 23 May 2020, Iași, Romania;
2020, Special Award and Excellence Diploma awarded by the Corneliu Group Association at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Individual Personal Electric Car ", 23 May 2020, Iași, Romania;
2020, Special Award and Excellence Diploma awarded by the Corneliu Group Association at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Decontamination reactor of aflatoxim M in milk", 23 May 2020, Iași, Romania;
2020, Excellence Diploma „Popularity Award" awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2020 for University Lucian Blaga from Sibiu, 23 May 2020, Iași, Romania;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Decontamination reactor of aflatoxim M in milk", 23 May 2020, Iași, Romania;
2020, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2020 for the invention "Individual Personal Electric Car", 23 May 2020, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Device used for magnetic activation of the processing through electric erosion, with of the filiform electrode", 2-6 February 2019, Bangkok, Thailand.
2019, Gold Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Hemispheric individual electric car with rotary seat", 2-6 February 2019, Bangkok, Thailand.
2019, Gold Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Portable hydro-electrical turbine with deformable paddles", 2-6 February 2019, Bangkok, Thailand.
2019, Special Award and Excellence Diploma awarded by Association of Polish Inventors and Rationalizers at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Device used for magnetic activation of the processing through electric erosion, with of the filiform electrode", 2-6 February 2019, Bangkok, Thailand;
2019, Excellence Diploma for Keynote Speaker at the Conference „JOINT CONFERENCE ON GREEN ENGINEERING TECHNOLOGY & APPLIED COMPUTING", Eastin Hotel, Bangkok, Thailand, 2019.
2019, Special Award and Excellence Diploma, awarded by the International Jury and AGEPI for the invention „Hemispheric individual electric car with rotary seat", 10-14 April 2019, Geneva, Switzerland;
2019, Special Award and Excellence Diploma, awarded by the International Jury and International Strategic Technology Alliance for the invention „Hemispheric individual electric car with rotary seat", 10-14 April 2019, Geneva, Switzerland;
2019, Special Award and Excellence Diploma, awarded by the International Jury and National Research Council of Thailand for the invention „Hemispheric individual electric car with rotary seat", 10-14 April 2019, Geneva, Switzerland;
2019, Special Award and Excellence Diploma, awarded by the International Jury and Delegation of Malaysian Inventors for the invention „Hemispheric individual electric car with rotary seat", 10-14 April 2019, Geneva, Switzerland;
2019, Gold Medal and Excellence Diploma, awarded by the International Jury at the World Exhibition of Inventions Geneva for the invention „Hemispheric individual electric car with rotary seat", 10-14 April 2019, Geneva, Switzerland;
2019, Excellence Diploma and Placheta "VINCIT AMOR PATRIAE" awarded by the Prime Minister of Romania for activity in research and invention, and for the outstanding results obtained at the International Exhibition of Inventions in Geneva 2019, 10-14 April 2019, Bucharest, Victoria Palace, April 2019.

2019, Excellence Diploma awarded at the International Exhibition of Inventions „PRO INVENT" 2019 for „the outstanding contribution in supporting, through expert judging, the more than 400 of inventions presented at Exhibition PRO INVENT 2019", 20-22 March 2019, Cluj Napoca, Romania;
2019, Excellence Diploma and Special Award „Augustin Maior" awarded at the International Exhibition of Inventions „PRO INVENT" 2019 for the inventions presented at PRO INVENT 2019, 20-22 March 2019, Cluj Napoca, Romania;
2019, Excellence Diploma and Special Award awarded by Forumul Inventatorilor Romani at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 20-22 March 2019, Cluj Napoca, Romania;
2019, Excellence Diploma and Special Award awarded by the "Iustin Capră" Association at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 20-22 March 2019, Cluj Napoca, Romania;
2019, Excellence Diploma and Bronze Medal awarded by University „Ștefan cel Mare" from Suceava at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 20-22 March 2019, Cluj Napoca, Romania;
2019, Excellence Diploma and Special Award awarded by Forumul Inventatorilor Romani at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 20-22 March 2019, Cluj Napoca, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Bicycle with enhanced energy recovery system", 20-22 March 2019, Cluj Napoca, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 20-22 March 2019, Cluj Napoca, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Device for turning hemispherical heads", 20-22 March 2019, Cluj Napoca, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 20-22 March 2019, Cluj Napoca, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Installation for checking the verticality of mine shafts", 26-28 June 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Hemispheric individual electric car with rotary seat", 26-28 June 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Bicycle with enhanced energy recovery system", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by the National Agency for Public Health from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Installation for checking the verticality of mine shafts", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by the National Agency for Public Health from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Hemispheric individual electric car with rotary seat", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by the National Agency for Public Health from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Bicycle with enhanced energy recovery system", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma „National Inventics Institute Prize" awarded by the International Jury at the International Exhibition of Inventions at the International Exhibition of Inventions „INVENTICA" 2019 for the Association for Alternative Technologies Sibiu – A.R.T.A. Sibiu", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by SciEdTech at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Bicycle with enhanced energy recovery system", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by SciEdTech at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Hemispheric individual electric car with rotary seat", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma and Gold Medal awarded by the Technical University of the Moldovei at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Hemispheric individual electric car with rotary seat", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by the State University of Medicine and Pharmacy „Nicolae Testemițanu" from the Republic of Moldova at the International Exhibition of Inventions „INVENTICA" 2019 for the invention „Hemispheric individual electric car with rotary seat", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma and Special Award awarded by the University of Agricultural Sciences and Veterinary Medicine of Banat "King Michael I of Romania" from Timișoara at the International Exhibition of Inventions „INVENTICA" 2019 for presenting the paper entitled „EVLIA – Making full value of good ideeas by leveraging intellectual assets for finncing SME's in SEE", 26-28 June 2019, Iași, Romania;
2019, Excellence Diploma awarded by the International Jury al of the Exhibition of Inventions IDEA-EXPO 2019 from Hungary at the International Exhibition of Inventions IDEA-EXPO 2019 for "Lucian Blaga" University of Sibiu, 07 April 2019, Szolnok, Hungary;
2019, Excellence Diploma awarded by the International Jury al of the Exhibition of Inventions IDEA-EXPO 2019 from Hungary at the International Exhibition of Inventions IDEA-EXPO 2019 for the invention „Device used for the magnetic activation of the processing through electric erosion, with of the filiform electrode", 07 April 2019, Szolnok, Hungary;
2019, Excellence Diploma awarded by the International Jury al of the Exhibition of Inventions IDEA-EXPO 2019 from Hungary at the International Exhibition of Inventions IDEA-EXPO 2019 for the invention „Portable hydro-electrical turbine with deformable paddles ", 07 April 2019, Szolnok, Hungary;
2019, Excellence Diploma with Special Honourable Mention awarded by the International Jury at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 19'" for the outstanding contribution made in calitate of Member of the International Jury, Visiting Professor with an Invited Lecture, Member of the Editorial Board and Member of the Scientific Committee, at organizarea of the International Exhibition of Student Innovation and Scientific Research „Cadet INOVA 19'", 11-13 April 2019, Sibiu, Romania;

2019, Certificate of excellence awarded at the Conference „9th International Conference on Manufacturing Science and Education" – MSE, 5-7 June 2019, for the paper presented, entitled „Study of the cutting process parameters that influence the surface quality machined by end milling of the alluminium alloy", Sibiu, Romania;
2019, Excellence Diploma awarded by the Polytechnic University of București at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Bicycle with enhanced energy recovery system", 16-18 May 2019, Iași, Romania;
Excellence Diploma awarded by Inventarium Science at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
Excellence Diploma awarded by Inventarium Science at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by the Polytechnic University of Timișoara at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by the Polytechnic University of Timișoara at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 16-18 May 2019, Iași, Romania;
2019, Special Award Exquisite Award awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by the Technical University from Cluj Napoca at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Excellence Diploma awarded by World Invention Intellectual Property Association WIIPA at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Excellence Diploma awarded by World Invention Intellectual Property Association WIIPA at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by the Polytechnic University of Timișoara at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by Association of Thai Innovation and Invention Promotion at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Special Award awarded by Association of Thai Innovation and Invention Promotion at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention „Installation for checking the verticality of mine shafts", 16-18 May 2019, Iași, Romania;
2019, Certificate of excellence awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for the significant contribution within the International Jury, 16-18 May 2019, Iași, Romania;
2019, Excellence Diploma with the distinction of Officer awarded by the Honorary Order Committee "Pro Scientia et Innovatio" at the International Exhibition of Inventions „EUROINVENT" 2019, 16-18 May 2019, Iași, Romania;
2019, Excellence Diploma and Special Award awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for "Lucian Blaga" University of Sibiu, 16-18 May 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention " Bicycle with enhanced energy recovery system", 16-18 May 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention "Hemispheric individual electric car with rotary seat", 16-18 May 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2019 for the invention "Installation for checking the verticality of mine shafts", 16-18 May 2019, Iași, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „Traian Vuia" 2019 from Timișoara for the invention "Equipment for simultaneous machining of micro-holes through electrical discharge machining aided by ultrasonics", 14 June 2019, Timișoara, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „Traian Vuia" 2019 from Timișoara for the invention "Equipment for ultrasonic-aided electrodischarge machining of micro-slot structures simultaneously", 14 June 2019, Timișoara, Romania;
2019, Excellence Diploma awarded by Balkan Managers Association at the International Exhibition of Inventions „Traian Vuia" 2019 from Timișoara for the invention " Equipment for simultaneous machining of micro-holes through electrical discharge machining aided by ultrasonics", 14 June 2019, Timișoara, Romania;
2019, Gold Medal and Excellence Diploma awarded by the State University of Medicine and Pharmacy „Nicolae Testemițanu" from the Republic of Moldova at the International Exhibition of Inventions „Traian Vuia" 2019 from Timișoara for the invention "Equipment for ultrasonic-aided electrodischarge machining of micro-slot structures simultaneously", 14 June 2019, Timișoara, Romania;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2019, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Installation for checking the verticality of mine shafts", 24 August 2019, Toronto, Canada;
2019, Gold Medal and Excellence Diploma awarded by Moroccan delegation of inventor and the EMSI Group at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Installation for checking the verticality of mine shafts", 24 August 2019, Toronto, Canada;
2019, Gold Medal and Excellence Diploma awarded by Moroccan delegation of inventor and the EMSI Group at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;

2019, Excellence Diploma awarded by Association of Polish Inventors and Rationalizers at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2019, Excellence Diploma awarded by Association of thai Innovation and Invention Promotion at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2019, Special Award and Excellence Diploma with titlul Best Invention of Romania awarded by Jury International at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2019, Special Award and Excellence Diploma with titlul Special Invetor Award awarded by Jury International at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Installation for checking the verticality of mine shafts", 24 August 2019, Toronto, Canada;
2019, Special Award and Excellence Diploma awarded by IFIA at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2019, Special Award and Excellence Diploma awarded by WIIPA at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2019 for the invention „Hemispheric individual electric car with rotary seat", 24 August 2019, Toronto, Canada;
2018, Special Award "The best invention implemented in the year 2018" awarded by SC Topaz S.A. at International Fair of Inventions and Practical Ideas INVENT-INVEST 2018, 9th edition for the inventions "Equipment for simultaneous machining micro-holes through electrical discharge machining aided by ultrasonics", "Equipment for ultrasonic aiding electrodischarge machining micro-slots structures simultaneously", Chișinău, the Republic of Moldova, 9-11 November 2018.
2018, Gold Medal and Excellence Diploma awarded by the Romanian Inventors' Society at International Fair of Inventions and Practical Ideas INVENT-INVEST 2018, 9th edition for the invention „Equipment for simultaneous machining micro-holes through electrical discharge machining aided by ultrasonics", Chișinău, the Republic of Moldova, 9-11 November 2018.
2018, Gold Medal and Excellence Diploma awarded by the Romanian Inventors' Society at International Fair of Inventions and Practical Ideas INVENT-INVEST 2018, 9th edition for the invention „Equipment for ultrasonic aiding electrodischarge machining micro-slots structures simultaneously", Chișinău, the Republic of Moldova, 9-11 November 2018.
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions International Salon of Inventions and New Technologies for the invention „Device for turning hemispherical ends", 27-29 September 2018, Sevastopol, Russia.
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions International Invention Innovation Competition in Canada – iCan 2018 for the invention „Device for turning hemispherical ends", 1 September 2018, Toronto, Canada;
2018, Special Award "NASR Award" awarded by The National Association for Science and Research Lebanon at the International Exhibition of Inventions Istanbul International Inovations Fair - ISIF 2018 for the invention „Device for turning hemispherical ends", 27-29 September 2018, Istanbul, Turkey;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions Istanbul International Inovations Fair - ISIF 2018 for the invention „Device for turning hemispherical ends", 27-29 September 2018, Istanbul, Turkey;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 27-29 June 2018, Iași, Romania;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2018 for the invention „Open frame", 27-29 June 2018, Iași, Romania;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2018 for the invention „Heated bench", 27-29 June 2018, Iași, Romania;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2018 for the invention „Mechanical vulcanising press", 27-29 June 2018, Iași, Romania;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA" 2018 for the invention „Cover for card", 27-29 June 2018, Iași, Romania;
2018, Special Award and Excellence Diploma awarded by the State University from the Republic of Moldova at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Chair for working at PC, with an active spine-relaxation principle", 7-9 June 2018, Suceava, Romania;
2018, Gold Medal and Excellence Diploma awarded by the Technical University Cluj Napoca at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Chair for working at PC, with an active spine-relaxation principle", 7-9 June 2018, Suceava, Romania;
2018, Special Award and Excellence Diploma awarded by the Land Forces Academy "Nicolae Bălcescu" from Sibiu and International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Chair for working at PC, with an active spine-relaxation principle", 7-9 June 2018, Suceava, Romania;
2018, Bronze Medal and Excellence Diploma awarded by the International Jury at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Remediation procedure for local dislocations occurring in road pavement", 7-9 June 2018, Suceava, Romania;
2018, Silver Medal and Excellence Diploma awarded by the International Jury at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Hemispheric individual electric car with rotary seat", 7-9 June 2018, Suceava, Romania;
2018, Gold Medal and Excellence Diploma awarded by the International Jury at International Fair of Invention and Creative Education for Youth, ICE-USV (Innovation and Creative Education) - 2nd edition, 2018, for the invention "Chair for working at PC, with an active spine-relaxation principle", 7-9 June 2018, Suceava, Romania;

2018, The Grand Prize of the Exhibition International of Inventions „EUROINVENT" 2018 awarded by the International Jury for the invention "Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania

2018, Special Award and Excellence Diploma awarded by the Centre for Psychotronic Studies and Ufology at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Mechanical vulcanising press", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Inventarium Science at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Mechanical vulcanising press", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by the Centre for Psychotronic Studies and Ufology at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Heated bench", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Inventarium Science at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Heated bench", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by the Polytechnic University of București at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Korea University Invention Association at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Toronto International Society of Innovation & Advanced Skills at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Open frame", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Toronto International Society of Innovation & Advanced Skills at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Malaysian Research & Innovation Society at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania;

2018, Special Award and Excellence Diploma awarded by Malaysian Research & Innovation Society at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention „Heated bench", 17-19 May 2018, Iași, Romania;

2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention "Chair for working at PC, with an active spine-relaxation principle", 17-19 May 2018, Iași, Romania;

2018, Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention "Mechanical vulcanising press", 17-19 May 2018, Iași, Romania;

2018, Silver Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention "Cover for card", 17-19 May 2018, Iași, Romania;

2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT" 2018 for the invention "Open frame", 17-19 May 2018, Iași, Romania;

2018, Special Award "Sri Lanka Gold Award" and Excellence Diploma awarded by Sri Lanka Inventors Commission at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Device for sharpening prismatic knives by round grinding", 2-6 February 2018, Bangkok, Thailand;

2018, Bronze Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Device for turning hemispherical ends", 2-6 February 2018, Bangkok, Thailand;

2018, Silver Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Hydro-electric turbine linear unfolded on the streams", 2-6 February 2018, Bangkok, Thailand;

2018, Silver Medal and Excellence Diploma awarded by National Research Council of Thailand at Exhibition International "Bangkok International Intellectual Property, Invention, Innovation and Technology Exposition" for the invention "Device for sharpening prismatic knives by round grinding", 2-6 February 2018, Bangkok, Thailand;

2018, Excellence Diploma awarded by Forumul Inventatorilor Romani at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" for the invention "Remediation procedure for the dislocations occuring in the road pavement", 19-21 April 2018, Sibiu, Romania;

2018, Excellence Diploma awarded by Forumul Inventatorilor Romani at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" for the invention "Hemispheric individual electric car with rotary seat", 19-21 April 2018, Sibiu, Romania;

2018, Special Award and Excellence Diploma awarded by the State University of Medicine and Pharmacy "Nicolae Testemițeanu" from the Republic of Moldova at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" for "Outstanding contributions in the field of Romanian invention at international level", 19-21 April 2018, Sibiu, Romania;

2018, Special Award "Placheta Inventator Dorel Cernomazu" and Excellence Diploma awarded by University "Stefan cel Mare" Suceava at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" for "The contribution sustained in education regarding the protection of intellectual", 19-21 April 2018, Sibiu, Romania;

2018, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" for the invention "Computer chair with an active principle of spine relaxation", 19-21 April 2018, Sibiu, Romania;

2018, Special Award and Excellence Diploma awarded by the International Jury at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 18'" with titlul "The Cadet INOVA '18 in memoriam – Inventor Prof. Eng. Dipl. Dorel CERNOMAZU, PhD (1947-2015) Plaquette, 19-21 April 2018, Sibiu, Romania;

2018, Special Award and Excellence Diploma, awarded by the International Jury and Hong Kong Science & Technology Parks Corporation for the invention „Device for sharpening knives prismatic by grinding round", 11-15 April 2018, Geneva, Switzerland;
2018, Gold Medal and Excellence Diploma, awarded by the International Jury at the World Exhibition of Inventions Geneva for the invention „Device for sharpening knives prismatic by grinding round", 11-15 April 2018, Geneva, Switzerland;
2018, Special Award and Excellence Diploma, awarded by the International Jury and the Delegation Official of the France for the invention „Device for sharpening knives prismatic by grinding round", 11-15 April 2018, Geneva, Switzerland;
2018, Special Award and Excellence Diploma, awarded by the International Jury and the Delegation Official of the Portugal for the invention „Device for sharpening knives prismatic by grinding round", 11-15 April 2018, Geneva, Switzerland;
2018, Special Award and Excellence Diploma, awarded by the International Jury and the Delegation Official of the Egypt for the invention „Device for sharpening knives prismatic by grinding round", 11-15 April 2018, Geneva, Switzerland;
2018, Excellence Diploma awarded by Jury international at the International Exhibition of Inventions „PRO INVENT" for „the outstanding contribution in supporting, through expert judging, the more than 400 of inventions presented at Exhibition PRO INVENT 2018", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma "Innovation Award" awarded by the Polytechnic University of București at the International Exhibition of Inventions „PRO INVENT" 2018, 21-23 March 2018, Cluj Napoca, Romania;
2018, Diploma of Honour awarded by the University of Agricultural Sciences and Veterinary Medicine of Cluj-Napoca at the International Exhibition of Inventions „PRO INVENT" 2018 for "the inventions presented at the Pro Invent 2018 Exhibition", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma awarded by the State University of Medicine and Pharmacy "Nicolae Testemițeanu" from the Republic of Moldova at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma awarded by the National Centre for Public Health Chișinău, the Republic of Moldova at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Heated bench", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma awarded by IDEA CREATIVE CO at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Heated bench", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma awarded by AGEPI at the International Exhibition of Inventions „PRO INVENT" 2018 for "Excellence in scientific research, outstanding contributions in promoting Romanian invention abroad, ambassador of innovation at international level", 21-23 March 2018, Cluj Napoca, Romania;
2018, Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Cover for card", 21-23 March 2018, Cluj Napoca, Romania;

2018, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Heated bench", 21-23 March 2018, Cluj Napoca, Romania;
2018, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2018 for the invention „Chair for working at PC, with an active spine-relaxation principle", 21-23 March 2018, Cluj Napoca, Romania;
2017, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 22-24 March 2017, Cluj Napoca, Romania;
2017, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Greenhouse insulation against losses through thermal conduction", 22-24 March 2017, Cluj Napoca, Romania;
2017, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Laryngoscope used in medical emergencies", 22-24 March 2017, Cluj Napoca, Romania;
2017, Gold Medal with special mention and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Device and method of measurement electronic of leaf spring quality", 22-24 March 2017, Cluj Napoca, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Device for sharpening knives prismatic by grinding round", 22-24 March 2017, Cluj Napoca, Romania;
2017, The Grand Prize of the Technical University of Cluj-Napoca awarded by University Lucian Blaga from Sibiu for the inventions presented at exhibition PRO INVENT 2017, 22-24 March 2017, Cluj Napoca, Romania;
2017, Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „PRO INVENT" 2017 for „the outstanding contribution in supporting, through expert judging, the more than 350 of inventions presented at exhibition Pro Invent 2017", 22-24 March 2017, Cluj Napoca, Romania;
2017, Special Award Euroinvent Medal and Excellence Diploma awarded by Forumul Inventatorilor Romani at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 22-24 March 2017, Cluj Napoca, Romania;
2017, Excellence Diploma awarded by University from Craiova at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Laryngoscope used in medical emergencies", 22-24 March 2017, Cluj Napoca, Romania;
2017, Excellence Diploma awarded by Corneliu Group at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Device and method of measurement electronic of leaf spring quality", 22-24 March 2017, Cluj Napoca, Romania;
2017, Excellence Diploma awarded by the Polytechnic University of București at the International Exhibition of Inventions „PRO INVENT" 2017 for the invention „Greenhouse insulation against losses through thermal conduction", 22-24 March 2017, Cluj Napoca, Romania;

2017, Excellence Diploma awarded by the Polytechnic University of București at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle”, 28-30 June 2017, Iași, Romania;
2017, Excellence Diploma with Special Honourable Mention awarded by the State University of Medicine and Pharmacy "Nicolae Testemițeanu" at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle”, 28-30 June 2017, Iași, Romania;
2017, Excellence Diploma with Special Honourable Mention awarded by the State University of Medicine and Pharmacy "Nicolae Testemițeanu" at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Laryngoscope used in medical emergencies”, 28-30 June 2017, Iași, Romania;
2017, Excellence Diploma awarded by the National Centre for Public Health at the International Exhibition of Inventions „INVENTICA” 2017 for “outstanding results, exploited and presented”, 28-30 June 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Device and method of measurement electronic of leaf spring quality”, 28-30 June 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Device for sharpening knives prismatic by grinding round”, 28-30 June 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Laryngoscope used in medical emergencies”, 28-30 June 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle”, 28-30 June 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INVENTICA” 2017 for the invention „Greenhouse insulation against losses through thermal conduction”, 28-30 June 2017, Iași, Romania;
Diploma of Honour awarded by the National Institute of Invention at the 21st INVENTICA 2017 International Conference for scientific contribution and loyalty, 28-30 June 2017, Iași, Romania;
Diploma of Honour awarded by the National Institute of Invention at the 21st INVENTICA 2017 International Conference for the efforts made as Chairman of the INVENTICA International Conference 2017, 28-30 June 2017, Iași, Romania;
2017, Special Award and Excellence Diploma awarded by World Invention Intellectual Property Association (WIIPA) at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle”, 25-27 May 2017, Iași, Romania
2017, Excellence Diploma awarded by the Polytechnic University of București at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Device for sharpening knives prismatic by grinding round”, 25-27 May 2017, Iași, Romania;
2017, Special Award and Excellence Diploma awarded by Toronto International Society of Innovation & Advanced Skills at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Device for sharpening knives prismatic by grinding round”, 25-27 May 2017, Iași, Romania;
2017, Special Award and Excellence Diploma awarded by Malaysian Research & Innovation Society at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Laryngoscope used in medical emergencies”, 25-27 May 2017, Iași, Romania;
2017, Excellence Diploma awarded by the Land Forces Academy "Nicolae Bălcescu" Sibiu at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Laryngoscope used in medical emergencies”, 25-27 May 2017, Iași, Romania;
2017, Silver Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Device and method of measurement electronic of leaf spring quality”, 25-27 May 2017, Iași, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Device for sharpening knives prismatic by grinding round”, 25-27 May 2017, Iași, Romania;

2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „EUROINVENT” 2017 for the invention „Greenhouse insulation against losses through thermal conduction”, 25-27 May 2017, Iași, Romania;
2017, Special Award and Excellence Diploma, awarded by Association of Portuguese Inventor’s, Innovator’s and Creatives for the invention „Device for turning ends hemispherical”, 28-31 April 2017, Geneva, Switzerland;
2017, Special Award and Excellence Diploma, awarded by Association of Polish Inventors and Rationalizers for the invention „Device for turning ends hemispherical”, 28-31 April 2017, Geneva, Switzerland;
2017, Special Award and Excellence Diploma, awarded by Hong Kong Science & Technology Parks Corporation for the invention „Device for turning ends hemispherical”, 28-31 April 2017, Geneva, Switzerland;
2017, Gold Medal and Excellence Diploma, awarded by the International Jury at the World Exhibition of Inventions Geneva for the invention „Device for turning ends hemispherical”, 28-31 April 2017, Geneva, Switzerland;
2017, Excellence Diploma awarded on the occasion of the launch of the book "Notable Figures of Sibiu" for the responsible way in which he got involved in community projects, Sibiu, Romania;
2017, Silver Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions and Innovations INTARG for the invention „Device for sharpening knives prismatic by grinding round”, 21-23 June 2017, Katowice, Poland;
2017, Honourable Mention and Excellence Diploma awarded by OSIM at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 17’" for the invention "Bicycle with sistem of recovery energy enhanced", 27-29 April 2017, Sibiu, Romania;

2017, Gold Medal and Excellence Diploma awarded by OSIM at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 17'" for the invention "Cell photovoltaic reversible with halogen ", 27-29 April 2017, Sibiu, Romania;
2017, Gold Medal and Excellence Diploma awarded by OSIM at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 17'" for the invention "Car electric personal individual", 27-29 April 2017, Sibiu, Romania;
2017, Special Award and Excellence Diploma awarded by World Invention Intellectual Property Association (WIIPA) at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 17'" for the invention "Car electric personal individual", 27-29 April 2017, Sibiu, Romania ;
2017, Excellence Diploma awarded by the International Jury at the International Exhibition of Student Innovation and Scientific Research "Cadet INOVA 17'" for "the outstanding contribution made as a Member of the International Jury, Visiting Professor with an Invited Lecture, Member of the Scientific Committee and of the Editorial Board, in organising the International Exhibition of Student Innovation and Scientific Research Cadet INOVA 17'", 27-29 April 2017, Sibiu, Romania;
2017, Excellence Diploma awarded by University "Lucian Blaga" from Sibiu, Faculty of Engineering for îndrumarea promoției 2013-2017, June 2017, Sibiu;
2017, Diploma of Honour awarded by University "Valahia" from Targoviște, Faculty of Științe Economice as semn al înaltei aprecieri of the colaborării colegiale dedicată promovării valorilor învățământului superior economic and of research științifice from Romania, 30 May 2017, Targoviște, Romania;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions Inova for the invention „Device for sharpening knives prismatic by grinding round", 9-11 November 2017, Osijek, Croatia;
2017, Excellence Diploma awarded by Societatea Inventatorilor from Banat at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by Agenția Națională for sănătate publică from Chișinău at the International Exhibition of Inventions „INFOINVENT" 2017 for „Results outstanding exploited and presented", 15-18 November 2017, Chișinău, the Republic of Moldova", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Special Award and Excellence Diploma awarded by the Association of Portuguese Inventors at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Special Award and Excellence Diploma awarded by University of Științe Agricole and Medicină Veterinară of the Banatului from Timișoara at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by Institute Grădina Botanică Chișinău at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Insulation of greenhouse contra losses by conduction thermal ground", 15-18 November 2017, Chișinău, the Republic of Moldova", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by the State University of Medicine and Pharmacy „Nicolae Testemițeanu" from the Republic of Moldova at the International Exhibition of Inventions „INFOINVENT" 2017 for „Contributions outstanding in the field of research and innovation", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by the Technical University of the Moldovei at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Device for sharpening knives prismatic by grinding round", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by the Technical University of the Moldovei at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Insulation of greenhouse contra losses by conduction thermal ground", 15-18 November 2017, Chișinău, the Republic of Moldova", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by the Technical University of the Moldovei at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Laryngoscope used in medical emergencies", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Special Award and Excellence Diploma awarded by Asociația Inventatorilor from Universități from Korea at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Chair for working at PC, with an active spine-relaxation principle", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Silver Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Greenhouse insulation against losses through thermal conduction", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Device and method of measurement electronic of leaf spring quality", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Gold Medal and Excellence Diploma awarded by the International Jury at the International Exhibition of Inventions „INFOINVENT" 2017 for the invention „Device for sharpening knives prismatic by grinding round", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Gold Medal and Excellence Diploma awarded by AGEPI Chișinău and Jury International at the International Exhibition of Inventions „INFOINVENT" 2017, „MOST REPRESENTATIVE PARTICIPATION IN THE EXHIBITION", for the invention „Chair for working at PC, with an active spine-relaxation principle", 15-18 November 2017, Chișinău, the Republic of Moldova;
2017, Excellence Diploma awarded by National Jury at „National Exchange of Romanian Inventions – 2017" for the invention „Device for turning ends hemispherical", București, 20 June 2017;
2017, Gold Medal and Excellence Diploma, awarded by the International Jury at the World Exhibition of Inventions The World Exhibition on Inventions, Research and New Technologies EUREKA 2017 for the invention "Device for turning ends hemispherical ", Barcelona, 05 May 2017;
2016, Silver Medal and Excellence Diploma, awarded by the International Jury at the World Exhibition of Inventions INNOVA EUREKA 2016, Brussels, 19 November 2016;
2016, Excellence Diploma the "Thinker of Hamangia" Award and Gold Medal the "Thinker of Hamangia" Award, awarded by the International Jury for the invention "Equatorial hypocycloidal pressing device", International Invention Exhibition INVENTICA 2016, Romania, Iași, 2016;
