

Application Management

Are you ready for your next #tech challenge?

TechTrek is your gateway to the IT industry – immerse yourself in cutting-edge technologies and master new Technical Consultancy skills. Count on real mentorship, top e-learning platforms and the flexibility to pursue your studies.

And who knows? You might be among the select few students chosen to dive straight into our dynamic projects after the program, putting into practice what you've learned.

Is this you?

You are fluent in **English** and preferably **German** and currently enrolled at any university. Technical or economic studies are a plus. You are looking for a **part-time, paid experience**.
