

MultiversX

/hackathon

Conquer the MultiversX Challenge!

30 days

To build and launch your app on MultiversX.

\$1M

In prizes and funding opportunities.

AI
DeFi
Payments
Mobile Apps
Gaming & Metaverse
Infrastructure & Dev Tools

Accept the challenge.
Choose your journey.
Join online.

In partnership with

Powered by its esteemed partners, including

Google

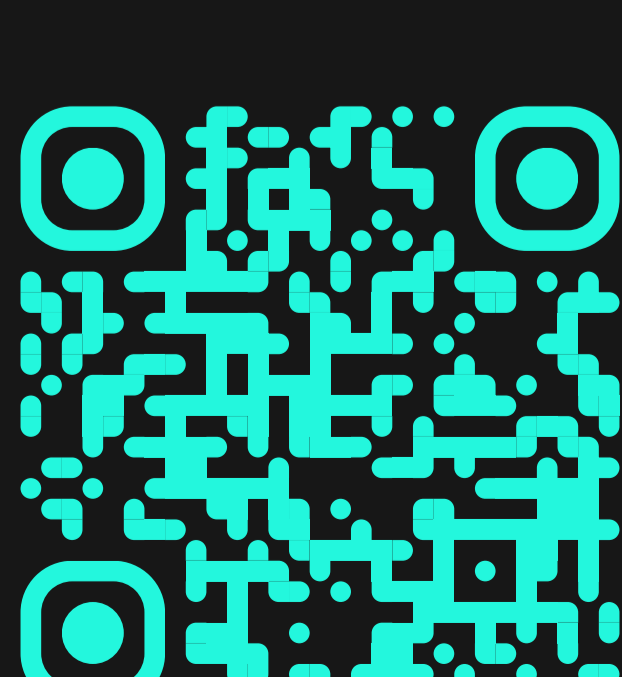

Tencent Cloud

Deutsche Telekom

Join the 500+ registered devs and build tools, scripts, smart contracts, or fully-fledged apps in languages like Rust, C/C++, Python, and TypeScript, making the xDay Hackathon a global call to coders of all skill levels.

No need for cheat codes.

We've prepared 19 workshops and 4 AMAs for every developer.
